S.S.S. PURELY VEGETABLE

The forests and fields are abundantly supplied with vegetation of various kinds, not alone to beautify the land, but to furnish the ingredients for making a remedy for every ill and ailment of mankind. Medicines made from the roots herbs and barks, which nature has placed at the disposal of man, act better in every way than do strong mineral mixtures and concoctions—the products of the chemist's shop. Mineral medicines work dangerously on the delicate parts of the system, especially the stomach and bowels, by eating out the lining membrane, producing chronic dyspepsia and often entirely ruining the health. S. S. S. enjoys the distinction of being the only purely vegetable remedy on the market.

It is made entirely of gentle acting, healing, purifying roots, herbs and barks, possessing properties that build up and invigorate all parts of the system, in addition to removing all impurities and poisons from the blood. S. S. S. cures Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison and all disorders of the blood by cleansing the circulation of the cause, and it cures safely as well as permanently. It is as safe for children and old people as for those in the prime of life, and is the one blood medicine that may be used without fear of bad after-effects. Book on the blood sent free to all who
